

## List of Approved Teat Dips, Wipes, and Udder Washes

February 29, 2016

Dairy Farmers of Canada would like to thank the Veterinary Drugs Directorate for their collaboration in developing this list of approved teat dips, wipes and udder washes.

Health Canada's Drug Product Database is at <http://webprod5.hc-sc.gc.ca/dpd-bdpp>.

This list is not intended to be all-encompassing and is subject to change, and it is only considered current as of the date above. The list is alphabetical and not in any order of priority or recommendation.
